Womens' Suits \$16.98

Values Worth Up to \$35

Here's a very important money-saving sale of Women's high-grade Tailored Suits—a chance to buy garments of the finest quality and most approved style at one-half and nearly one-half regular cost.

The extraordinary opportunity to save is accounted for by the fact that one of the leading suit manufacturers was caught with a lot of canceled orders on his hands. He made us such an advantageous offer on the entire lot that we couldn't resist buying them. As the result of this purchase we can offer you even greater values than those which created such a stir a fortnight ago.

They are brand new models, representing every late style designed for this season's wear. The materials consist of Clifton Broadcloths, Herringbone Serges, Invisible shadow stripe Broadcloths, Imported Wide Wale Chevils, hard twisted Serges, Fancy Imported Worsteds, and Fancy Striped Cheviots.

The styles include long coats effects in semi and tight fitting models, plain tailored semi-fitting styles trimmed with self cloth button molds, others trimmed with rich black satins, smart suits trimmed with wide braids and Directoire lapels.

Particularly handsome and stylish are the suits of hard twisted Worsteds, in plain tailored mannish effects, as well as the long semi-fitting suits in 4-button style, with man tailored reverses and satin coat collar. There are numerous other styles of Broadcloth, richly embellished with braids and satin bands.

All are handsomely lined with satin duchesse or heavy satins.

Choice of all the new season's favorite shades are included in the lot, such as Taupe, Admiral Blue, olive, garnet, smoke, the new browns, navy blue, invisible colored stripes and plain black. Let us repeat the good news—choice of women's finest quality tailored suits, sold up to \$35.00 for \$16.98.
